

THE NATURAL CAVES OF KSARA

Situated near Zahleh in the Bekaa, these natural caves of 3 km of length are well worth the visit.

Château Ksara is Lebanon's oldest winery, founded in 1857 by French Jesuit priests. It is also a household name in the Lebanon thanks to being the biggest producer (close to three million bottles annually) and a prominent presence in every shop, restaurant and café for its wines. Discovered in Ksara underground tunnels around two kilometers of original Roman caves beneath the winery and vineyards, where the temperature (13 °C), all the year through, is ideal for storing wine in special wooden barrels imported from France . Ksara farms 348 hectares of vineyard in the Bekaa Valley, without the use of chemical herbicides.
