

## CARNIVAL CRUISES

If you're thinking of cruising, there's a very good chance you're considering a Carnival cruise. Growing since our founding in 1972, Carnival Cruise Line — "The World's Most Popular Cruise Line®" — now carries millions of guests every year. Our newest ship is Carnival Panorama®, which debuted in December 2019. This year, definitely look for the transformed Carnival Radiance™ and the game-changing new Mardi Gras™. And while it's a little further out, we're already excited about Carnival Celebration™, coming in 2022!

Carnival Cruise Line is proud to be part of a family of companies owned by Carnival Corporation, which includes sister lines Princess Cruises, Holland America Line and Cunard Line, among others.

Our 23 ships operate 2- to 17-day voyages, departing from every coast in the U.S. While we're best known for Caribbean cruises, we sail to other exotic and amazing destinations like Mexico, Alaska, The Bahamas, Europe and Hawaii. Additionally, Carnival Cruise Line Australia has two ships, and offers cruises from Sydney and Brisbane to New Zealand and the Pacific Islands.
