

CUNARD

Set sail with Cunard and enjoy an unforgettable voyage with one of the world's most iconic cruise lines.

Cunard boasts one of the youngest fleets of ships at sea. Queen Mary 2 (2003), Queen Victoria (2007), Queen Elizabeth (2010) are instantly recognizable due to their distinctive black and red livery and guaranteed to turn heads in any port of call.

Established in 1804, **Cunard Line** has built a reputation as one of the most trusted brands in ocean travel. Blending modern facilities and the latest technologies with an onboard ambience that recalls the romance of cruising's golden era, Cunard has perfected the art of 5-star luxury.

Onboard, you will find each Cunard ship to be extremely spacious. In fact, are times when you could mistake being at sea for staying in a luxury hotel. The ships are famed for their highly sophisticated décor and beautifully-appointed accommodation, while the service you will experience manages to be both highly professional and wonderfully personal.

In 2022, Cunard's three Queens will be joined by a fourth ship, called Queen Anne. The new vessel will be the 249th to be launched by Cunard and will cater for up to 3,000 guests.
