Day 1 – Amman

Arrival at Amman airport. Transfer to the hotel.

Day 2 – Amman - Dead Sea – Dana

Departure to the lowest part on earth, the Dead Sea. At 400m below sea level, it is a unique experience, floating in water 6 times saltier than any ocean, in one of the world's most rugged desert landscapes. Continue to Dana and explore the reserve, taking a guided trek along old paths through the mountains. Wadi Dana drops from 1,500m above sea level to 100m below sea level as it plunges from the eastern plateau of the Great Rift Valley down to the Araba Valley. Overnight in Dana.

Day 3 – Dana - Petra

Early morning departure to the red rose city of Petra for a visit to this fantastic site created by the Nabateans. Overnight in Petra.

Day 4 - Petra - Wadi Rum - Aqaba / Amman

Departure to Wadi Rum which offers some of the most extraordinary desert scenery; we'll enter the desert from a less visited area and follow up with Rum's highlights on foot and by the Bedouin's 4x4 vehicles. Continue to Aqaba, Jordan's only port, a small town famous for some of the most beautiful coral reefs to be found anywhere in the world. We have time to lounge on the beach, swim, go snorkeling around the excellent coral or sail over the reefs in a glass-bottomed boat. Overnight in a hotel in Aqaba or transfer to Amman and overnight in hotel Amman.

Day 5 –Amman / Aqaba

Transfer from your hotel to the airport for your onward journey.
