Visit to the church housing mosaics from the 4th and 6th century. Continue to Madaba for a visit to the St Georges Church where we will see the mosaic of the holy land. Further to Jerash, north of Amman, and visit the well preserved Roman site with the colonnaded streets, temples, theatres, etc. Return to Amman for overnight.

Day 3 – Amman - Dead Sea - King's Highway - Kerak - Petra

Leave Amman to the Dead Sea, at 400 m below sea level it is the lowest inhabited point on earth. Try "swimming" and floating in the salty water and after a shower continue along the King's Highway to Petra. The Crusader Castle of Kerak is a nice stop en route. Hotel stay in Petra.

Day 4 – Petra

The day is spent in Petra allowing you to visit this red rose city carved out of the rocks. One of the highlights of our trip, Petra is a lovely ancient city created by the Nabateans in the sandstone of the Shara Mountains south of Jordan. Since its rediscovery, it has caught the imagination of many travellers, with its extraordinary coloured rocks & carved façades. The city retains its charm and mystery, despite the excavations & the numerous visitors who come in each year. Overnight in Petra.

Day 5 – Petra - Wadi Rum - Aqaba

Today's route leads you to Aqaba. We suggest you drive via Wadi Rum to leave on a 4x4 excursion lead by the Bedouins into this lunar landscape of dunes and rocks. After the excursion, pick up your car at the parking lot and drive to Aqaba. Overnight stay in a hotel in Aqaba.

Day 6 – Aqaba
