Day 3 – Rovaniemi

Transfer from Rovaniemi train station to the Arctic Treehouse hotel, your accommodation for the coming two nights. The concept of Arctic Treehouse hotel has its roots in fragile arctic nature, the fairy tale world of Santa Park, and northern culture and heritage. All the buildings are made of Finnish wood, a traditional, sustainable and renewable material. The green roof helps in managing urban runoff and brings the building's footprint's worth of vegetation back to the construction site. After check-in you can use the rest of the day to explore Rovaniemi and experience its winter activities such as reindeer safaris, husky safaris and snowmobile safaris. Please see all the activity options in our Rovaniemi activity list.

Day 4 – Rovaniemi

After breakfast you have the full day to keep exploring the 'capital' of Finnish Lapland. Today, don't miss the opportunity of visiting the famous Santa Claus village, meet Santa and send a postcard from Santa's post office. There is a lot to see and do in Rovaniemi, from simply enjoying your surroundings to partaking in fun filled adventures.

You board the impressive ice breaker and get ready for your three-hour cruise in the frozen waters of the Bothnian sea. The cruise is guided, and you have the chance to visit the engine rooms as well as the captain's bridge. During the stop, you can walk on the frozen ice, and for those seeking a little more adventure, in survival suits you can swim in the frozen sea. After the cruise, transfer to Kemi.
