This is an unforgettable stay in Chamonix, one of the oldest ski destinations in the world. Chamonix hosted the first Winter Olympics and combines old-world charm with quality skiing. This high-mountain town offers numerous diversions from museums to excellent restaurants. Stay in a historic 5-star hotel located in the center of Chamonix with a beautiful view of the mountains. Every day after a delicious breakfast, you will explore the ski area surrounding Europe's highest peak, Mont Blanc. Your private ski instructor means lift queue priority and inside knowledge of the best snow conditions. After a long day on the slopes, get cozy near the fireplace and drink some mulled wine, or visit the outdoor ice-skating rink. Twinkling lights cover the Chamonix's restaurants and bars, creating a winter wonderland.
