Courchevel is your link to the Trois Vallées, the world's largest ski area with over 370 miles (600 km) of ski slopes. Courchevel is synonymous with luxury. The resort's posh ambiance and flawless skiing conditions have long attracted celebrities, from the Beckhams to the British royals. Your private guide will direct through the many varied slopes that cut through the mountains and miles of powdered snow-covered trails. Courchevel's après-ski options are as exciting as the slopes, with seven Michelin-star restaurants and many sophisticated bars. You'll stay in a 4-star hotel with spacious, modernist rooms with wood details and unobstructed views on the mountains and pistes. Enjoy fine-dining, an in-house spa, and ski-in/ski-out access to Courchevel 1850 slopes and La Croisette.
