Day 2: Colombo / Pinnawala / Kandy

After breakfast, proceed to Kandy via Pinnawala.
Visit Pinnawala Elephant Orphanage

Pinnawala is situated in the Sabaragamuwa province of Sri Lanka close to Kegalle town. An orphanage, nursery and captive breeding ground for wild Asian elephants is located at this village remarkably known as 'Pinnawala Elephant Orphanage'. The orphanage has the largest herd of captive elephants in the world and is visited daily by many local and foreign tourists.

The main attraction is clearly to observe the elephants bathing and feeding which is quite an experience. The orphanage was launched to provide a lifeline to the orphaned baby elephants and adult elephants lost in the wilderness.

Kandy - The hill capital. Venue of the annual Perahera. The last stronghold of the Sinhala Kings was finally ceded to the British in 1815. Kandy is an example of Buddhism's influence in Sri Lanka today. Temple's shrines and monasteries keeping Buddhist traditions alive are everywhere. Kandy is a world heritage site. Many of the legends, traditions and folklore are still lovingly kept alive. Drive around the Kandy Lake built by the last Sinhala king Sri Wickrama Rajasinghe in 1806.

Check in to the hotel.
Visit the Kandy town and Bazaar, the arts & crafts centre, a gem museum and a lapidary. Also if you are interested in Gems & Jewellery you could visit the gem museum shops in the area which is famous for so many years.

After breakfast enjoy a boat ride in Madu Ganga (River)

915-hectare Madu Ganga Estuary is connected by two narrow channels to the Randombe Lake, forming a complex wetland system encompassing 64 mangrove islets. In the year 2000, International Union for the Conservation of Nature (IUCN) undertook a detailed biodiversity survey of the region & revealed the existence of no less than 10 major wetland vegetation types supporting over 300 plant species & 248 species of vertebrates.

This remarkable diversity has led to its being classified under RAMSAR Convention on Wetlands in 2003.

Visit Induruwa Sea Turtle Conservation Center.

Sea Turtles are born underground (under sand to be more accurate). Then they find their way to the surface, and to the ocean, after which they start a life filled with many dangers, where only a few will make it through the growing years. Releasing baby turtles is a very unique experience. And there is nothing like holding a baby turtle in your hand.
